Report on the Financial Statements

We have audited the accompanying financial statements of Upper Explorerland Regional Housing Authority, which comprise the statement of net position as of June 30, 2014, and the related statements of revenues, expenses and changes in net position and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

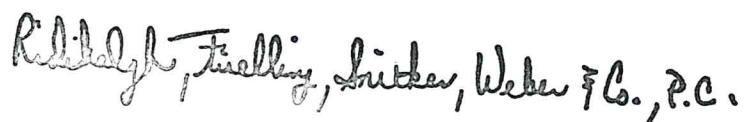

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Upper Explorerland Regional Housing Authority as of June 30, 2014, and the changes in its net position and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters*Other Information*

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplementary information shown on pages 12 to 15 is presented for purposes of additional analysis as required by the Consolidated Audit Guide for Audits of HUD Programs issued by the U.S. Department of Housing and Urban Development, Office of the Inspector General, and is not a required part of the financial statements. The accompanying schedule of expenditures of federal awards, as required by U.S. Office of Management and Budget Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated November 17, 2014, on our consideration of Upper Explorerland Regional Housing Authority's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering Upper Explorerland Regional Housing Authority's internal control over financial reporting and compliance.

**Upper Explorerland Regional Housing Authority
Management's Discussion and Analysis (MD&A)
For the Fiscal Year Ended June 30, 2014**

The management of the Upper Explorerland Regional Housing Authority (Authority) offers readers of the Authority's financial statements this narrative overview and analysis of the financial activities for the fiscal year ended June 30, 2014. Please read this information in conjunction with the full audited financial statements and additional information that follow this narrative.

Overview of Upper Explorerland Regional Housing Authority

The Authority was created pursuant to Iowa Code Chapter 28E for the purpose of providing safe and affordable housing to low-income families in the northeast Iowa counties of Howard, Winneshiek, Allamakee, Clayton, and Fayette. The Authority receives funding from the Department of Housing and Urban Development's Housing Choice Voucher Program (HCV) to assist low-income families and individuals by subsidizing the rent on existing, privately-owned rental property. The housing assistance is paid directly to landlords on behalf of the families who are on the program. The families then pay the difference between the market rental rate charged by the landlord and the housing assistance payment provided by the program. The Authority is paid by HUD to administer program. The Authority's operations are funded almost entirely through administrative fees received from HUD. The Authority enters into an Annual Contributions Contract (ACC) each year with the Department of Housing and Urban Development to serve up to 407 families in the designated counties.

Financial Highlights

- The Authority's net assets decreased by \$33,557 to \$33,987 compared to the previous year end net assets of \$67,544. Unrestricted net assets increased by \$43,360 to \$33,987, compared to the previous year end unrestricted net assets of \$-9,373.
- The total revenue for the fiscal year was \$1,333,739, an increase of \$118,660 (or 9.8%) from last year.
- The total expenditures for the fiscal year were \$1,365,390, an increase of \$35,905 (or 2.7%) from last year.
- The Authority's net loss from operating activities for the fiscal year was \$31,768.

The financial statements included in this report are those required for a major federal program. Among the statements included are:

- Statement of Net Position identifying current resources and liabilities. Assets are identified as both restricted and non-restricted. Restricted net assets have constraints placed on them either externally by grantors, contributors, or laws and regulations of government.
- Statement of Revenues, Expenses and Changes in Net Position identifying operating revenues and expenses. Those revenues that are restricted are identified as such in the report.
- Statement of Cash Flows identifying cash from operating and investment activities.

Financial Comparison

Below is a summarized statement that compares revenue and expenditures for the current period to the period ending June 30, 2014:

	<u>06/30/2014</u>	<u>06/30/2013</u>	<u>Net Change</u>
REVENUES:			
HUD	\$1,318,671	\$1,213,342	\$ 105,330
Interest	\$ 0	\$ 34	(\$ 34)

Change in Net Assets	(\$ 31,652)	(\$ 114,406)	\$ 82,755

Below is a summarized statement that compares the consolidated balance sheets of the current period to the period ending June 30, 2014:

	<u>06/30/2014</u>	<u>06/30/2013</u>	<u>Net Change</u>
ASSETS:			
Total Assets	\$ 50,249	\$ 96,099	(\$ 45,848)
LIABILITIES:			
Total Liabilities	\$ 16,262	\$ 28,555	(\$ 12,293)
UNRESTRICTED NET ASSETS	\$ 33,987	(\$ 9,373)	\$ 43,362
RESTRICTED NET ASSETS	\$ 0	\$ 76,917	(\$ 76,917)
NET ASSETS	\$ 33,987	\$ 67,544	(\$ 33,555)

The Authority faced budget challenges late in this past fiscal year. The initial CY2014 renewal funding notification received from HUD indicated the Authority had \$86,500 of available HUD-Held Program Reserves. The Authority based budgets and lease-ups using this figure along with estimated annual contributions contracts to be received. In late May 2014, the Authority was sent an amended renewal funding notification indicating that the HUD-Held Program Reserves were no longer available to the Authority thus resulting in a projected HAP shortfall for CY2014. On June 5, 2014, the Authority received official notification from HUD that the Shortfall Prevention Team (SPT) would be in contact with the Authority to resolve the shortfall issue. The goal of SPT was to work with the PHA, the HUD Field Office, and the Financial Management Center to come to a resolution to prevent the termination of assisted families due to the insufficient funding.

Phone conferences were conducted throughout the months of June and July monitoring the projected shortfall. HUD's SPT Specialist worked with the Authority to identify ways to prevent the termination of families. The Authority was required to cease absorbing port-ins through the end of the calendar year; cease the issuance of new vouchers; and withdraw/suspend all outstanding vouchers issued.

An action plan was also identified during the shortfall period to include establishing a reinstatement policy; reviewing occupancy standards and "rent burden worksheets"; and reviewing PIC data for minimum rents and review adjusted monthly income of assisted families. In addition, the Authority also applied for 2014 Shortfall Set-Aside funds following the shortfall notification. The Authority worked cooperatively with the SPT and on July 25, 2014, the Authority was no longer identified as a shortfall agency. Because of this, the Authority was no longer eligible to receive CY2014 shortfall set-aside funds. Currently, the Authority is working ardently to regain nearly 40 lease-ups lost during the shortfall period. The Authority did apply for and receive CY2014 Set-Aside funding to support the increased cost of portability vouchers. The funding totaled \$84,668. The Authority also applied for higher administrative fees in April 2014 and received an additional \$5.02 per unit for CY2014 which adjusted the administrative fee rate to \$62.66. The additional funds have assisted significantly with the budgetary gaps during the fiscal year. The Authority continues to monitor budget availability closely with HUD's PHRS representative.

The Authority remains committed to assessing all operational procedures, looking for ways to decrease the time and costs of delivering services to secure the program within its region. The Authority also believes in its programs that serve Northeast Iowa residents and will continue to work diligently and efficiently to provide assistance to families in need.

UPPER EXPLORERLAND REGIONAL HOUSING AUTHORITY

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2014

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

Upper Explorerland Regional Housing Authority (hereinafter "Authority") was organized pursuant to Chapter 28E of the Code of Iowa, to perform the duties outlined in Chapter 403A. The Authority is an agent for landlords who rent housing facilities to low income individuals with assistance from the federal government. The Authority operates in Allamakee, Clayton, Fayette, Howard and Winneshiek counties of Iowa.

Measurement Focus and Basis of Accounting

The proprietary fund statements are reported using the economic resources measurement focus and the accrual basis of accounting. Under this method, revenues are recognized when earned. Expenses are recorded when the related fund liability is incurred.

Cash and Cash Equivalents

The Authority considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents.

The Authority's deposits in banks at June 30, 2014 were entirely covered by federal depository insurance or by the State Sinking Fund in accordance with Chapter 12C of the Code of Iowa. This chapter provides for additional assessments against the depositories to insure there will be no loss of public funds.

Basis of Presentation

The accounts of the Authority are organized on the basis of funds. A fund is an independent fiscal and accounting entity with a self-balancing set of accounts. Fund accounting segregates funds according to their intended purpose and is used to aid in demonstrating compliance with finance related legal and contractual provisions. The minimum number of funds is maintained consistent with legal and managerial requirements.

The Authority has the following fund:

Proprietary Fund – Proprietary funds are used to account for operations, (a) that are financed and operated in a manner similar to private business enterprises – where the intent of the governing body is that the costs (expenses, including depreciation) of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges; or (b) where the government body has decided that periodic determination of revenues earned, expenses incurred, and/or net income is appropriate for capital maintenance, public policy, management control, accountability or other purposes.

Enterprise Funds – Used to account for the Authority's federal and state housing assistance programs.

UPPER EXPLORERLAND REGIONAL HOUSING AUTHORITY

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2014

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Basis of Presentation (continued)

A proprietary fund distinguishes operating revenue and expenses from nonoperating items. Operating revenue and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenue of the Housing Authority is operating grants. Operating expenses for the Housing Authority include administration fees, costs to operate its office and housing assistance payments. All revenue and expenses not meeting the aforementioned definition are reported as nonoperating revenue and expenses.

Net assets are reported in two categories:

Restricted Net Assets result when constraints placed on net asset use are either externally imposed or imposed by law, grant or contract.

Unrestricted Net Assets consist of net assets that do not meet the definition of the preceding category. Unrestricted Net Assets may have constraints on resources imposed by management or the board of directors, which can be removed or modified.

ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

CONCENTRATION OF REVENUES

The Authority receives approximately 98% of its total operating revenues from the federal government. This revenue is subject to federal government budget appropriations and potential funding reductions. A significant reduction in the level of this support would have a significant effect on the Authority's programs and activities.

Investments Authorized by the Authority's Investment Policy

The Authority is required to invest its funds in accordance with Iowa statutes and HUD guidelines. The Authority does not have an investment policy with any specific provisions intended to limit their exposure to investment rate risk, credit risk and concentration of credit risk.

UPPER EXPLORERLAND REGIONAL HOUSING AUTHORITY

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2014

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Basis of Presentation (continued)

Disclosures Relating to Interest Rate Risk

Interest rate risk is the risk that changes in market interest rates will adversely affect the fair value of an investment. Generally, the longer the maturity of an investment the greater the sensitivity of its fair value to changes in market interest rates. The Authority had no investments at June 30, 2014.

Concentration of Credit Risk

The Authority does not have an investment policy regarding concentration of credit risk.

Income Taxes

The Housing Authority is a non-profit and not subject to income taxes.

NOTE 2 - NATURE OF OPERATIONS

The Authority operates under Section 8 of the U.S. Housing Act of 1937. Section 8 Voucher Program assistance is a rental assistance program to help very low income families afford decent, safe and sanitary rental housing. The Authority, known as a public housing agency or PHA, accepts applications for rental assistance, selects the applicant for admission and issues the selected family a rental voucher confirming the family's eligibility for assistance. The family must find a suitable dwelling unit. The Authority pays the landlord a portion of the rent, known as a housing assistance payment or HAP, on behalf of the family. The Authority enters into an annual contributions contract, or ACC, with HUD, which provides funds to administer the program.

NOTE 3 – RECEIVABLES

All accounts receivable are shown at gross amounts. No allowance for uncollectible accounts has been provided since it is believed that such allowance would not be material.

Accounts Receivable-Fraud Recovery represents the amount of agreements, net of payments already made, signed by tenants promising to pay back monies to the Authority.

Accounts Receivable-HUD represents amounts due from HUD for services provided by UERHA.

NOTE 4 – EQUIPMENT

The Authority's equipment is purchased with HUD dollars and as such is not depreciated. The Authority is required to keep a list of equipment.

UPPER EXPLORERLAND REGIONAL HOUSING AUTHORITY

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2014

NOTE 5 – FRAUD RECOVERY REVENUE

Fraud recovery income shown on the Statement of Revenues, Expenses, and Changes in Net Assets for fiscal year was \$10,311. This was determined as follows:

Authority's Share – 50% x \$ 10,311	\$ 5,155
HUD's Share – 50% x \$ 10,311	<u>5,156</u>
	<u>\$ 10,311</u>

Likewise, the Accounts Receivable-Fraud Recovery of \$7,868 was distributed 50% (\$3,934) to Restricted Funds and 50% (\$3,934) to Unrestricted Funds.

NOTE 6 – PENSION AND RETIREMENT BENEFITS

The Authority contributes to the Iowa Public Employees Retirement System (IPERS) which is a cost sharing multiple employer defined benefit pension plan administered by the State of Iowa. IPERS provides retirement and death benefits that are established by State statute to plan members and beneficiaries. IPERS issues a publicly available financial report that includes financial statements and required supplementary information. The report may be obtained by writing to IPERS, P.O. Box 9117, Des Moines, Iowa 50306-9117.

Plan members are required to contribute 5.95% of their annual salary and the Authority is required to contribute 8.93% of annual covered payroll to the plan. Contribution requirements are established by State statute. The Authority's contribution to IPERS for the year ended June 30, 2014 of \$7,226 is equal to the required contribution for the year.

NOTE 7 - RISK MANAGEMENT

The Authority is exposed to various risks of loss related to torts; theft; damage to and destruction of assets; errors and omissions; injuries to employees; and natural disasters. These risks are covered by the purchase of commercial insurance.

NOTE 8 – LITIGATION

The Authority was involved in no litigation as of June 30, 2014.

UPPER EXPLORERLAND REGIONAL HOUSING AUTHORITY

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2014

NOTE 9 – UNRESTRICTED & RESTRICTED ASSETS

The Authority had \$33,987 in unrestricted net assets at June 30, 2014.

Unrestricted Assets consist of the following:

Unrestricted Net Assets – Administrative

Beginning Balance	\$ (9,373)
HUD Administrative Payments in Excess of Administrative Expenses for the Year Ended June 30, 2014	<u>43,360</u>
Total Unrestricted Assets – Administration	<u>\$ 33,987</u>

The Authority had zero balance in restricted net assets at June 30, 2014. Per HUD regulations, the restricted net assets may be expended for the housing assistance payment program only.

Restricted Net Assets – HAP

Beginning Balance	\$ 76,917
HAP in Excess of HUD payments	<u>(76,917)</u>
Total Restricted Assets – HAP	<u>-</u>
TOTAL NET ASSETS	<u>\$ 33,987</u>

NOTE 10 - SUBSEQUENT EVENTS

Housing Authority has considered subsequent events through November 17, 2014 and is not aware of any significant subsequent events that they feel need to be disclosed.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND
ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS
PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors
Upper Explorerland Regional Housing Authority
Postville, IA

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the financial statements of Upper Explorerland Regional Housing Authority, which comprise the statement of net position as of June 30, 2014, and the related statements of revenues, expenses and changes in net position, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated November 17, 2014.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Upper Explorerland Regional Housing Authority's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Upper Explorerland Regional Housing Authority's internal control. Accordingly, we do not express an opinion on the effectiveness of Upper Explorerland Regional Housing Authority's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Upper Explorerland Regional Housing Authority's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM
AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY OMB CIRCULAR A-133

To the Board of Directors
Upper Explorerland Regional Housing Authority
Postville, IA

Report on Compliance for Each Major Federal Program

We have audited Upper Explorerland Regional Housing Authority's compliance with the types of compliance requirements described in the OMB Circular A-133 Compliance Supplement that could have a direct and material effect on each of Upper Explorerland Regional Housing Authority's major federal programs for the year ended June 30, 2014. Upper Explorerland Regional Housing Authority's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Upper Explorerland Regional Housing Authority's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and OMB Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Upper Explorerland Regional Housing Authority's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Upper Explorerland Regional Housing Authority's compliance.

Opinion on Each Major Federal Program

In our opinion, Upper Explorerland Regional Housing Authority complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2014.

Report on Internal Control Over Compliance

Management of Upper Explorerland Regional Housing Authority is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Upper Explorerland Regional Housing Authority's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Upper Explorerland Regional Housing Authority's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis.

A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.
